Your own holiday house, with swimming pools, natural landscape, kidz playground, security, and 10 minutes away from the most beautiful unspoilt beaches you have ever seen... Zmar can make your dream come true!

What is Zmonte?

Zmonte ('Monte' stands for Country House in Portuguese) is your holiday home for vacations or weekends, with the possibility of maximizing your investment, by subletting it. It's an innovative concept that combines simplicity, comfort, security and access to a vast variety of services, with excellent value for money.

How?

From 193,50€ per month install your wooden house in Zmar; Enjoy Zmar's infrastructure for free, and have your own holiday house in Alentejo for investment.

Suppliers

JGDS and Colicapela are our suppliers with projects approved by Zmar.

How does it work?

- 1.** Contact one of our promoters;
- 2.** The client leases a plot of land for 193,50€/month that includes water and electricity;
- 3.** The client buys and installs their own ground-level wooden house from one of our suppliers;
- 4.** The client has free access to a variety of services & activities: indoor and outdoor swimming pools, kids area, sports field and gym. Additionally you can acquire housekeeping services, restaurant, sports activities and Spa treatments.

Benefits

Zmar manages the subletting of your house; Annual return on investment around 15% to 20%.
